RE: AWOS

Dear Bernard,

Just a friendly note to let you know that we are very happy with our new system. Everyone loves it, because it is like a new toy for our pilots.

Dan Roberts did a great job and we are pleased that he is our yearly maintenance inspector. He did way beyond his job description when he came here.

Mohamad saved me from going completely crazy dealing with FCC. Without him that mess would still be going on I am sure.

Please give everyone a BIG thank you from me!

Sincerely,
